

**Eagle River, WI**

# THE CONGER ISLAND

The Conger Island offers the finest amenities in the most private location in northern Wisconsin. Some of these amenities include multiple flat screen televisions, full bar, granite countertops, luxurious bathrooms with unique views and wireless Internet from the home, deck and even water.

The Conger Island introduces you to the luxurious “Westin Bed Experience” for all of your guests, a full intercom and stereo system both inside and throughout the property for your enjoyment, hidden doorways for children to explore, the resident chipmunks that love to eat out of your hand, a hot tub, and two laundry facilities for your convenience.

Multiple watercraft are no problem at the Conger Island. A five stall pier, private beach and boat house for the safe storage of your toys is accessible to all guests, as well as a private, gated mainland entrance with parking for numerous cars and trailers. If hiking or snowmobiling is what you are looking for, the Private Island is directly off the snowmobile trail system and also has beautiful hiking in it’s own private wooded area on the mainland.

If you are looking for a unique vacation experience with the finest northwoods amenities look no further than the Conger Island.

## Attractions

There is so much to do on the chain of lakes and around Eagle River, Wisconsin! Nearly anything you want to do on vacation we can arrange for you. The following will give you a brief idea of all the activities the area has to offer.

The famous 28-lake Eagle River Chain is the largest inland interconnected freshwater chain of lakes anywhere in the world. Whether you feel like trying your luck on snow skis, fishing a secluded bay, or simply relaxing on your deck, the Island View I is for you.

Vacationing on the world’s largest inland chain of lakes means you can do everything by boat! Shopping, fine dining and casual lunching, listening to live music, golfing, hiking, and picnicking (the list goes on and on), can all be done directly from your rental home by traveling through our waterways.
